REDUCE YOUR CARBON FOOTPRINT WITH BRANDHK

Only BrandHK offers all customers the ability to reduce their carbon footprint on corporate gifts and the facility to offset any CARBON EMISSIONS . And we make it easy to tell your customers about it too!

1. REDUCE YOUR FOOTPRINT

We quote the carbon footprint of every product. You can choose the products that achieve your business goals with the least impact on the planet.

2. OFFSET EMISSIONS

Where you can't reduce your emissions, you can purchase carbon credits. These fund carbon-reducing projects around the world.

3. TELL YOUR CUSTOMERS

Share your offset certificate with customers using a unique link or QR code that you can print on the product.

WE PURCHASE CARBON CREDITS FROM OUR PARTNER, **GOLD STANDARD** . Their projects help communities around the world to decarbonise. PLUS every Gold Standard project contributes to at least 3 UN Sustainable Development Goals, so the positive impact of your funding is much greater.
